

§ 62.71

38 CFR Ch. I (7–1–14 Edition)

§ 62.71 Grantee reporting requirements.

(a) VA may require grantees to provide, in such form as may be prescribed, such reports or answers in writing to specific questions, surveys, or questionnaires as VA determines necessary to carry out the Supportive Services for Veteran Families Program.

(b) If, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee's program description provided in the supportive services grant agreement, grantees must report the deviation to VA.

NOTE TO PARAGRAPH (b): For information on corrective action plans, which may be required in this circumstance, *see* § 62.60.

(c) At least once per year, or at the frequency set by VA, each grantee must submit to VA a report containing information relating to operational effectiveness, fiscal responsibility, supportive services grant agreement compliance, and legal and regulatory compliance, including a description of the use of supportive services grant funds, the number of participants assisted, the types of supportive services provided, and any other information that VA may request.

(d) Grantees must relate financial data to performance data and develop unit cost information whenever practical.

(e) All pages of the reports must cite the assigned supportive services grant number and be submitted in a timely manner.

(f) Grantees must provide VA with consent to post information from reports on the Internet and use such information in other ways deemed appropriate by VA. Grantees shall clearly mark information that is confidential to individual participants.

(Authority: 38 U.S.C. 501, 2044)

§ 62.72 Recordkeeping.

Grantees must ensure that records are maintained for at least a 3-year period to document compliance with this

part. Grantees must produce such records at VA's request.

§ 62.80 Withholding, suspension, deobligation, termination, and recovery of funds by VA.

(a) *Recovery of funds.* VA will recover from the grantee any supportive services grant funds that are not used in accordance with the requirements of this part. VA will issue to the grantee a notice of intent to recover supportive services grant funds. The grantee will then have 30 days to submit documentation demonstrating why the supportive services grant funds should not be recovered. After review of all submitted documentation, VA will determine whether action will be taken to recover the supportive services grant funds.

(b) *VA actions when grantee fails to comply.* When a grantee fails to comply with the terms, conditions, or standards of the supportive services grant, VA may, on 7-days notice to the grantee, withhold further payment, suspend the supportive services grant, or prohibit the grantee from incurring additional obligations of supportive services grant funds, pending corrective action by the grantee or a decision to terminate in accordance with paragraph (c) of this section. VA will allow all necessary and proper costs that the grantee could not reasonably avoid during a period of suspension if such costs meet the provisions of the applicable Federal Cost Principles.

(c) *Termination.* Supportive services grants may be terminated in whole or in part only if paragraphs (c)(1), (2), or (3) of this section apply.

(1) By VA, if a grantee materially fails to comply with the terms and conditions of a supportive services grant award and this part.

§ 63.2

(2) By VA with the consent of the grantee, in which case VA and the grantee will agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the grantee upon sending to VA written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if VA determines in the case of partial termination that the reduced or modified portion of the supportive services grant will not accomplish the purposes for which the supportive services grant was made, VA may terminate the supportive services grant in its entirety under either paragraphs (c)(1) or (2) of this section.

(d) *Deobligation of funds.* (1) VA may deobligate all or a portion of the amounts approved for use by a grantee if:

(i) The activity for which funding was approved is not provided in accordance with the approved application and the requirements of this part;

(ii) Such amounts have not been expended within a 1-year period from the date of the signing of the supportive services grant agreement;

(iii) Other circumstances set forth in the supportive services grant agreement authorize or require deobligation.

(2) At its discretion, VA may re-advertise in a Notice of Fund Availability the availability of funds that have been deobligated under this section or award deobligated funds to applicants who previously submitted applications in response to the most recently published Notice of Fund Availability.

(Authority: 38 U.S.C. 501, 2044)

§ 62.81 Supportive services grant closeout procedures.

Supportive services grants will be closed out in accordance with the following procedures upon the date of completion:

(a) No later than 90 days after the date of completion, the grantee must refund to VA any unobligated (unencumbered) balance of supportive services grant funds that are not authorized by VA to be retained by the grantee.

(b) No later than 90 days after the date of completion, the grantee must submit all financial, performance and other reports required by VA to close-out the supportive services grant. VA may authorize extensions when requested by the grantee.

(c) If a final audit has not been completed prior to the date of completion, VA retains the right to recover an appropriate amount after considering the recommendations on disallowed costs once the final audit has been completed.
